Workstation Trolley

Workstation Trolley

Workstation Trolley

Base	Good quality ABS plastic molding base , exquisite appearance and easy to clean
Pillar	Imported brand super quiet open drop column, height adjustable from 850mm to 1200mm,One - handed operation, flexible and stable.
Table Surface	Compact grade laminate material table surface,it is excellent in anti - acid and corrosion resistance. High - quality PVC arc seal border impact strip, beautiful and safer.
Wheel Castors	Equipped with four noise - free castors with two brakes
Accessories	Castors,Storage Drawer,Displayer Holder,Keyboard&Mouse Holder,Battery Storage Box

① Battery & Power Control Panel

② Storage Drawer

⑦ Lifting Controller

⑧ Battery Storage Box

⑨ Hidden mouse carrier

③ Lifting Pillar

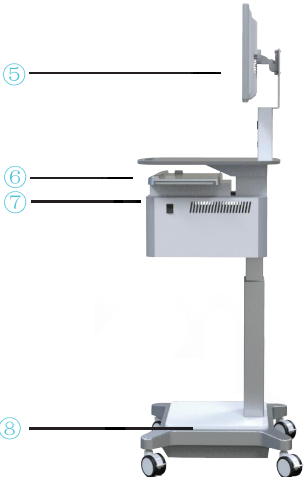

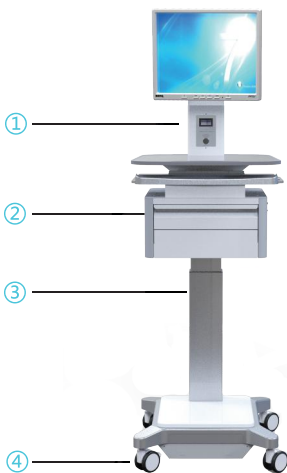

④ Castor with Brake

⑤ Displayer Arm

⑥ Slide Keyboard Holder

Gas Spring Lifting System Workstation Trolley
JDEC312

Base	Good quality ABS plastic molding base , exquisite appearance and easy to clean
Pillar	Metal Pillar design, adopt with gas spring lifting system, top table can be lift and drop freely
Table Surface	Table material is the ABS molding with storage space and safe lock; Suitable for laptop and computer
Wheel Castors	Equipped with four noise - free castors with two brakes
Accessories	Castors, Storage Drawer, Displayer Holder, Keyboard&Mouse Holder, Battery Storage Box

① Displayer Arm

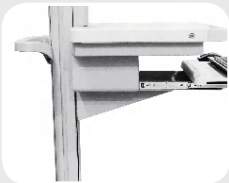

② Lifting Controller

③ Slide Keyboard Holder

④ Lifting Pillar

⑤ Disinfectant Holder

⑥ Mouse Holder

⑦ Battery Storage Box

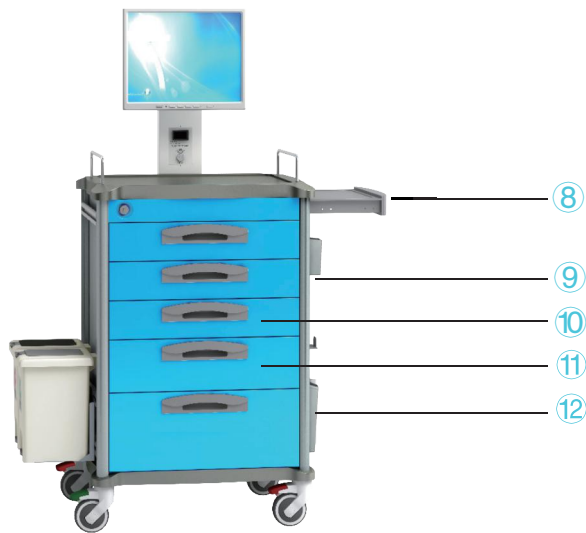

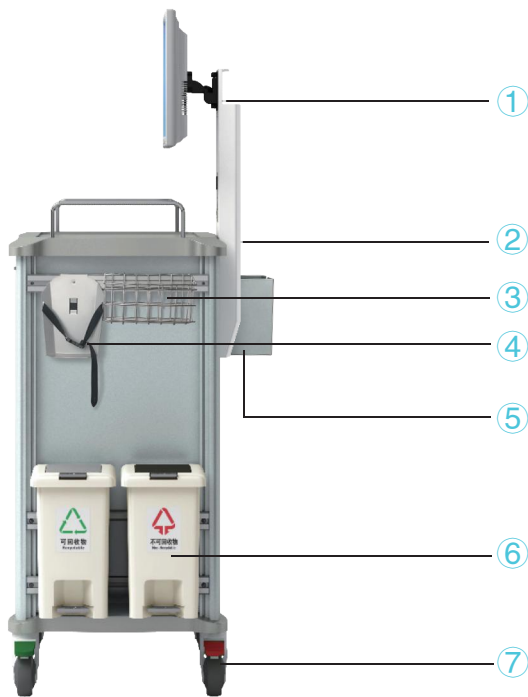

⑧ Castor with Brake

Workstation Trolley
JDECF334

Side Panel	Aluminum composite panel for side board and back board
Drawer	Aluminum - molding drawer,installs noise - free sliding rail,and PC divider which is convenient for sorted storage of medicine and device;ABS handle;Self - locking
Table Surface	ABS molding top table with stainless steel plate intergrated
Wheel Castors	Equipped with four noise - free castors with two brakes (Tente From Germany)
Accessories	Castors,Storage Drawer,Displayer Holder,Keyboard&Mouse Holder,Battery Storage Box

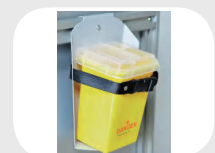

① Displayer Arm

② ABS Molding Top Table

③ Wire Basket

④ Needle Box & Holder

⑤ Computer Host Holder

⑥ Waste Bin

⑦ Noise-free Castor

⑧ Extension Table

⑨ Glove box

⑩ Hidden keyboard Drawer

⑪ Aluminum Molded drawer and PC divider

⑫ File box

Battery Parameter

Lithium Iron Phosphate battery group
iron group

Inverter

Charger

Hot-plug battery pack

Battery System	
Lithium Iron Phosphate battery group iron group	10Ah/single block, 2 pieces per trolley, it supports hot swap, which can realize 24 hours uninterrupted power
Charger	4A-5A
Inverter	Max Output Power
Reactive Power Converter	Dual (Room Electrically Switchable)
Charging Time	2-3hours
Running Time	4-5 hours (up to the power consumption load)
Charging Current	4-5A
Protection Function	Overtemperature, Overload, High and low voltage, Output Short Circuit, Overcharge, Over-discharge protection
Battery Certification	CE Certification
Power Display	LCD Screen/Ten Bars Indication/Voltage Indication
Attention	Batteries are expendable and not covered by warranty. In order to ensure the battery life, it needs to be recharged every three months.

In the year of 1984, 'Jingdong' brand was established in Beijing-the capital city of China, it was a production b China National Pharmaceutical Group Corporation.The company's name was Beijing Tongxian Jingdong Instru Factory. In 2005, the company was renamed as Beijing Jingdong Technology Co., Ltd.

Jingdong has established a large global production base in Tangshan, Hebei, covering an area of about 80 tho square meters, in response to 'the belt and road' and the coordinated development of of Beijing-Tianjin-Hebe agglomeration, which will be better to help the construction and development of Chinese hospital.
